

**RAYAT SHIKSHAN SANSTHA'S
ARTS, SCIENCE AND COMMERCE COLLEGE, MOKHADA, DIST.
PALGHAR
DEPARTMENT OF ZOOLOGY**

BRIEF INFORMATION

The department of Zoology was established on June 2013 in this college to provide knowledge of animals and applied aspects of Zoology. The department served tribal society by producing at least 10 Zoology graduates per year. Many of our students are progressed to higher education, many of the students have entered the field of paramedical sciences, thanks to the varied approach of Syllabus. The department is serving to the tribal students for the betterment of society. The department is well acquainted with the traditional and advanced instruments including Stereoscope Microscope, Electrophoresis unit, Incubator, Oven etc.

VISION, MISSION AND OBJECTIVES

- **Vision**
 - To inculcate values of animal science studies among tribal students and to enhance respect for nature and to give impetus to the students for conservation.
- **Mission**
 - To provide quality zoological education to the tribal students
 - To inculcate soft skills regarding applied branches of zoology among tribal students
 - To motivate students for research
- **Objectives**
 - To provide detailed information on classification of animals.
 - To provide basic and applied knowledge of various branches of Zoology.
 - To make students aware of biodiversity we have around and importance of conservation of these resources.
 - To provide the advanced information regarding newer technologies in the field of Zoology and allied branches.
 - To inculcate scientific culture and research attitude among the students.

OUR STAFF

Sr. No.	Name of the Teacher	Designation	Qualification	Experience
1.	Prof. (Dr.) R.S.Dubal	Professor and Head	M.Sc. M.Phil. Ph.D.	35
2.	Dr. S.K. Pawar	Assistant Professor	M.Sc., Ph.D.	16
3.	Dr. A.L. Shaikh	Assistant Professor	M.Sc., SET, Ph.D.	14
4.	Mr. P.R. Havale	Assistant Professor	M.Sc., SET, NET, GATE	01
5.	Mr. K.K. Pardhi	Assistant Professor	M.Sc., SET, GATE	01

SHORT TERM COURSES OF THE DEPARTMENT (2021-2022)

1. A Short Term Course on Vermicomposting
2. A Short Term Course on Basics of Sericulture

EXTENSION ACTIVITIES (2021-2022)

1. Hemoglobin Checkup camp at Warghadpada, Tal. Mokhada, Dist. Palghar
2. Guest lecture on “Career Scope in Zoology” at K.J.S.P. Aashramshala, Chambharshet, Tal. Jawhar, Dist. Palghar

BEST PRACTICE (2021-2022)

- Feeder Potter Activity (Hanging Feeder Potters for Birds at College Campus)

INNOVATIVE PROJECT

- Preparation and Distribution of Feeder Potter for Birds at Warghadpada, Tal. Mokhada, Dist. Palghar

FUTURE PLAN

- To start Masters’ degree program
