2020-2021

**Report of Short Term Course- Electrical appliances, Maintenance and repair**

To develop skills among students of repairing and maintenance of electrical appliances a short term course entitled "Electrical appliances, Maintenance and repair" was carried out by the department of Physics. Total 18 students were enrolled to this course. During the course various techniques of repairing and maintaining was taught to students via theory and practicals. Students were assessed to check the knowledge they obtained during the course. All students have passed in the examination and successfully completed this course.
