**One Day Biofloc Training Report**

Date 25/03/2022

To get knowledge about Biofloc system and fish farming, the teachers and students of Arts science and commerce college, Mokhada attended one day training on biofloc behalf of the energy and resources institute (TERI). The training was held on 25<sup>th</sup> march 2022 at Central institute of fisheries education, Andheri Versova, Andheri West, Mumbai.

In this one-day training program session wise teachers had guided us on various topics. In the first session Prof. Babita Rani guided on Biofloc system and showed the practical of Tilapia fish farming.

In the second session, Dr. T.I Chanu madam gave valuable information on different types of fishes which are good for biofloc. As well as she said that these fishes are very demanding in the market.

In third session Dr. Kapil Salunkhe guided on how to maintain water quality, soil quality and how to take precaution of fishes. He showed the practical by using different instruments.

In the last session, Dr. Madhuri Pathak madam guided on fish feed management. This training was successfully ended. For this training 8 teachers and 7 students were present.
